The Serenity Prayer

God, Grant me the serenity
To accept the things I cannot change
Courage to change the things I can
And the wisdom to know the difference.

ASK YOURSELF

Have you ever tried to stop drinking for a week but could not?

Have I wished people would stop talking about my drinking?

Have I changed drinks to try not to get drunk?

Do I ever need a drink to get going in the morning?

Do I envy people who can drink without getting drunk?

Does my drinking cause problems at home?

Does my drinking cause problems with other people?

Have I missed work or cut school because of drinking?

Do I have blackouts, times I don't remember?

Would my life be better if I quit drinking?

THINK ABOUT IT

AA can't take care of your problems, but we can show you how to live one day a time without alcohol. Only you can decide if AA is for you.

If you want to drink, that's your business. If you want to stop, that's ours.

The AA Preamble

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking.

There are no dues or fees for AA membership: we are self-supporting through our own contributions.

AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics achieve sobriety.
